

Testimony before the Appropriations Committee
H.B. No. 5044 - An Act Making Adjustments to State Expenditures for the FY 17
February 18th, 2016
William Schmidt, Branford, CT

Good evening Senator Bye, Representative Walker and members of the Appropriations Committee.

My name is William (Billy) Schmidt. I feel like I don't agree at all with any of the cut backs to Mental Health Funds. That will completely disrupt the medicine and great activities at the clubhouses around the state of Connecticut. Medicine compliance and social interaction are the very key to good mental health. Also, good groups for growth from mental health and addiction services. Thank you.
